

How to make VE Day flags

Equipment & Materials

Scissors

Glue stick

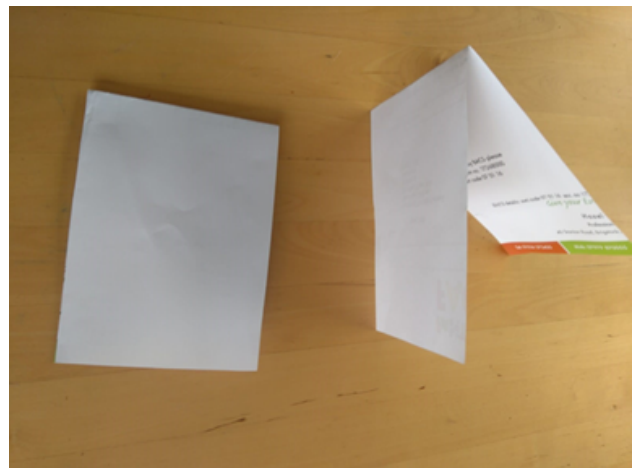

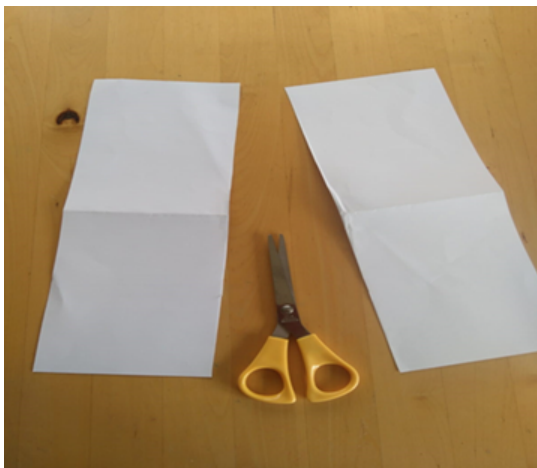

Sellotape

Paper/newspaper

Felt tip pens/crayons/ stickers/collage

Directions:

1. Take a piece of A4 paper, fold it into quarters, open it then cut along the longest central fold to make 2 flags.

2. Decorate your flags using pens/pencils, collage, stickers etc
3. To make a stick for the flag tightly roll several sheets of paper /newspaper and secure with Sellotape.

4. Use the glue stick to stick the inner sides of the flag together at the top of the stick.

All done! You can now include your flag as part of your very own stay at home VE Day celebrations!
